State of New Hampshire

To the Inhabitants of the Town of Shelburne, in
[L. S.] the County of Coos, in said State, qualified to
vote in town affairs:

You are hereby notified to meet at Town Hall in said
Shelburne on Tuesday, the thirteenth day of March next,
at nine of the clock in the forenoon, to act upon the fol-
lowing subjects:

1. To choose all necessary town officers for the year
ensuing. To elect one Selectman to serve for three years.

2. To raise such sums of money as may be necessary to
defray town charges for the ensuing year and make ap-
propriation of the same.

3. To see what sum the town will vote to raise and
appropriate for highways and bridges.

4. To see if the town will vote to accept Federal aid
construction and appropriate money for the same.

5. To see what sum the town will vote to raise and
appropriate for State aid construction.

6. To see what sum the town will vote to raise and
appropriate for State aid maintenance.

7. To see if the town will authorize the Selectmen to
distribute the inventory blanks when taking the inven-
tory.

8. To hear reports of town officers heretofore chosen
and pass any vote relating thereto.

9. To transact any other business that may legally
come before the meeting.

Given under our hands and seal, this sixteenth day of
February in the year of our Lord nineteen hundred and
twenty-three.

FRANK N. EDWARDS,
C. D. PEABODY,
LAWRENCE E. PHILBROOK,
Selectmen of Shelburne.

To the Inhabitants of the School District of Shelburne qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in Shelburne, in said district, on Tuesday, March 13th, A. D. 1923, at two of the clock in the afternoon, to act upon the following subjects, viz.:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose a member of the School Board for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To see if the district will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and payment of statutory requirements.
7. To see what sum of money the district will vote to raise for salaries of the School Board and other district officers, superintendent's salary and expenses, truant officer and school census, and other expenses of administration.
8. To transact any other business that may legally come before said meeting.

Given under our hands at said Shelburne this 15th day of February, A. D. 1923.

Total			\$2,963.00

Explanation

Article 6 of the warrant—Under this article the School Board estimates that the district should vote to raise \$2,818.00 for the support of schools and payment of statutory requirements.

In view of the fact, however, that the report of the School Board has shown a large balance for the past few years, and, as the balance on hand on June 30, 1922, was \$494.34, it is recommended by the board that the amount of \$2,518.00 be raised under this article.

Article 7 of the warrant—Under this article the district should raise \$145.00 for the salaries of the School Board, Superintendent's salary and expenses, truant officer and school census, and other expenses of administration.

The total amount to be raised for the coming year is \$2,663.00. The total estimated budget is \$2,963.00. The School Board is able to ask for \$300.00 less than the estimated budget because of the large balance on the books.

C. D. PEABODY,

CLARA EVANS,

MAUD G. RIX,

School Board of Shelburne.

School Superintendent's Report

To the School Board and Citizens of Shelburne:

Herewith is presented my third annual report.

Teachers

It was necessary to secure one new teacher for the Shelburne schools at the beginning of the present year. Miss Eda Thurston, who had done excellent work at the Peabody school last year, resigned a few days before the time scheduled for the opening of school. Miss Leonore Flaherty, a graduate of the Gorham High school, and who attended Keene Normal for the summer session, was appointed by the School Board to take her place. Miss Ruth Blandin returned for her second year at the Village school. Both of these teachers are doing very commendable work.

Enrollment

Up to the present time the enrollment in the Peabody school has been fifteen. This school may be called a boys' school as only two of the fifteen are girls. The distribution by grades is as follows:—3 in the first grade; 2 in the second grade; 2 in the third grade; 1 in the fourth grade; 2 in the fifth grade; 2 in the sixth grade, and 3 in the eighth grade. The three boys in the eighth grade are expected to graduate this June and to be in attendance at a high school in the fall. The attendance at this school was most satisfactory last year, and this year, on the whole, it has been good. An epidemic of mumps has afflicted both the Gorham schools and the Peabody school and at the present time a number of children are out. This naturally causes a break in the school work but it is something that we cannot help. The attitude of the children in regard to school attendance is good.

The Village school in Shelburne has been a large school this year. The total enrollment has been twenty-one. The grade distribution is as follows:—6 in the first grade; 4 in the third grade; 1 in the fourth grade; 1 in the fifth grade; 3 in the seventh grade, and 6 in the eighth grade. One of the eighth grade pupils has moved away and the other five are expected to graduate in June. All of these pupils should have a chance to go to high school either at Gorham or at Bethel, Me.

The rate of tuition in Gorham has been \$55 for the present year, but in all probability the tuition will be raised to \$75 for another year. A bill has been presented to the general assembly making \$75 a legal tuition charge instead of \$55, an amount which did not, in any sense, adequately cover the cost of instruction, etc., in the high schools. I am informed the tuition rate at Bethel is \$75 this year. Some of the New Hampshire high schools are charging towns for high school tuition, the maximum allowed by law plus an amount assessed upon the parents of the children. This arrangement is not entirely satisfactory as many parents are not able or do not care to pay this additional amount, and thus, some pupils are not given the educational opportunities that they should have. The School Board of Shelburne has taken the bill, now pending in the legislature, into account in drawing up its budget for the coming fiscal year as may be seen by the increased amount asked.

At the present time there are six Shelburne boys and girls enrolled in the Gorham High school. Two of these are seniors and will probably graduate this June. As you all know, the Gorham high school building is filled to capacity. Even during the present year I doubt whether we shall be able to meet the state requirements in some of the subjects, and with an estimated enrollment of 235 pupils in junior and senior high school it is extremely doubtful whether Gorham will be in a position to admit tuition pupils from other towns. This matter has not yet been definitely decided. The matter of train service is another factor to be taken into consideration. There is no morning train to Gorham earlier than 11 o'clock. This means that pupils coming from Shelburne on this train are forced to miss almost the entire morning from school.

On the other hand the afternoon train leaves a little after 4, which arrangement enables the pupil to get home early. The train service to Bethel is more satisfactory in the morning but less so at night. Of course, those pupils that possess conveyance can get to school the same as they have been in the past. This transportation problem is one that should be considered very carefully by the townspeople and School Board as we do not believe that the Shelburne people desire any pupil to lose the advantages of a high school education.

"Evening School"

One of the notable events in the Shelburne schools during the present year was a visit of Mr. Ernest Butterfield, Commissioner of Education, to the Village school. This visit was something unusual as the call was made in the evening, and the pupils, in the presence of a large number of interested parents and friends, went through their usual school work, under the very capable direction of Miss Blandin. After the exercises, the Commissioner made a brief address, in which he emphasized the advantages of the modern school over the schools which he attended when he was a boy. Commissioner Butterfield, after the exercises were over, spoke very highly of the work that was being done in the school.

Conclusion

In conclusion, I wish to express my appreciation of the hearty co-operation of members of the School Board, teachers and parents.

Respectfully submitted,

CHARLES W. WALKER,

Supt of Schools.

Feb. 13, 1923.
